Note: Availability of colours may vary between regions. Where a colour is available, extended lead times may also apply in some regions. Please consult with your supplier or nearest lysaght branch for local availability. The COLORBOND[®] steel colours shown have been reproduced to represent actual product colours as accurately as possible. We recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process affect colour tones. The profile of fence posts and rails actually supplied may vary between regions and may differ to photos and drawings featured in this brochure and on our website. Please consult with your supplier or nearest lysaght branch if you have any queries.
